Breast Center Nurse Navigator Position Open at Johns Hopkins Hospital

The Johns Hopkins Breast Center currently has a nurse navigator position open for which we are actively recruiting to fill! The individual should have experience and knowledge of breast health and breast cancer as a clinic nurse or a nurse navigator. Navigation experience preferred. BSN required. The individual who functions in this role will report to Lillie Shockney, the Adm director of the breast center and will work as part of a team of breast nurse navigators. Competitive salary and benefits including college tuition for Hopkins employees and their children. For more information email shockli@jhmi.edu.
